Paints - Winsor and Newton, Liquitex and Golden are good brands to consider.

- reds
- yellows
- greens
- browns
- blues
- paynes grey
- white

*It is good to have a wide assortment of different colours (ei. cobalt blue, phthalo blue, ultramarine blue, teal...)
The choices could go on for ever, but a few mixtures of each major colours will assist on your mixtures.
P.S. - I am not much of a fan of 'carbon black', if you like bring some, but I can show you that paynes gray
olive green and raw umber is all you need to use for dark tones.*

Brushes:

A good mixture from smaller to larger brushes is always good to bring. A mixture of Flat, Filbert & Round in an assortment of different sizes is good. There are many packages of 10-25 different sizes at reasonable prices. When painting larger painting wit knives are fun... but we will be working on a 12x12 so some smallere brushes will be needed. pick up one 10/0 for fine details to finish class.

Canvas:

We will be working on your choice size of smaller canvas to start from on opening class. (from. 12x12 to 20x24..) by week 3 we will be looking at working on a mid to larger scale paintings. We will explore using strong highlights, shadows and powerful colours to create a dynamic landscape painting in your choice of oil or acrylic.
