Instructor: Shannon Quigley

Class: Original Stitched Ornaments

Materials List:

- The instructor will supply some materials to practice with (embroidery thread, scissors, needles, etc).
- You will need to purchase your own materials to create your ornaments (felt & threads). **Please wait until after the first session before buying materials to make your own ornaments**, so we can finalize your design & colours before you buy your materials. If you already have a stash of embroidery threads and felts, please feel free to bring it to the first session but please don't buy anything new before finalizing your design. Thank you!
- Please bring photos to inspire your ornament design to the first session (on your phone, or printed).
