Instructor: Michelle Teitsma

Class: Acrylic Classes

Materials List:

Note. First class we only use black and white, mediums, canvas and brushes. **You can wait to buy the rest afterwards if you wish to discuss first in class.**

The material list includes two bias of each primary colour, red, yellow and blue.

- Alizarin crimson (warm red with cool bias)
- Cadmium red medium hue (warm red with warm bias)
- Dairylide yellow or cadmium yellow dark. (warm yellow warm bias)
- Cadmium yellow light or primary yellow (warm yellow cool bias)
- Ultramarine blue (cool blue warm bias) • Cerulean blue (cool blue cool bias)
- Burnt sienna
- Small tube black
- Large tube of Titanium white

Please – no open brands! “Open” acrylics have slower drying times, and they will have a softer consistency than the heavy body paints we’ll be using.

Paint brands:

Winsor and Newton, Liquitex, Artist loft, (professional 3) and Golden are good brands to consider. All heavy body paints. Budget paints will get you started but you will end up wanting to purchase better quality paints.
