Instructor: Lee Munn

Class: Painting Large

Materials List:

Please bring your own canvas and paint supplies (paint, brushes, mix tray...)

I will bring reference photos in case you do not have your own. You can work from photos provided from me or your choice of photo to work from – either rectangular or square.

Paints (Winsor and Newton, Liquitex, and Golden are good brands to consider):

- Reds
- Yellows
- Greens
- Blues
- Payne's gray
- White
- Browns

It is good to have a wide assortment of different colours (i.e. cobalt blue, phthalo blue, ultramarine blue, teal). The choices could go on forever, but a few mixtures of each major colours will assist on your mixtures. P.S. I am not much of a fan of 'carbon black', if you like bring some, but I can show you that Payne's gray, olive green, and raw umber are all you need to use for dark tones.

Brushes:

A good mixture from smaller to larger brushes is always good to bring. A mixture of flat, filbert, and round in an assortment of different sizes is good. There are many packages of 10-25 different sizes at reasonable prices. When painting on a mid to larger painting, palette knives are fun.

Canvas:

We will be working on your choice size of larger canvas to start for the opening class. (i.e. 36"x24", 36"x36", 36"x48"...). During later classes, we'll be looking at working on our own version at a larger scale, with ideas of our own for perspective and landscape views.

Miscellaneous:

- Disposable palette or a palette you can wash and reuse
- Rags or paper towels
- Ruler
- Pencil
- Palette knife (optional)
